As of September 20, 1961, the following individuals were members of the Fighting American Nationalists:

b6
b7C

HERMAN (LNU)

HERMAN (LNU) is a white male, 5' 10", approximately 200 pounds, heavy build, brown hair, almost bald, clean shaven, married and believed to have a son in college. He is also believed to be a naturalized citizen of Polish extraction.

All of the above have paid FAN membership dues and are currently in good standing. Where numbers appear following the names this is to designate the number of the FAN membership card issued to the respective member. Numbers 1, 2 and 3 have been issued at FAN Headquarters while numbers 9, 10 and 11 have been temporarily left open. Assigned numbers for and HERMAN (LNU) are unknown. In the case of the number is uncertain but believed to be

The following as of the same date are "under consideration" for FAN membership but are for the time too young for actual membership:

At present the following are the known ANP members
in the Chicago area:

[redacted]

b6
b7C

[redacted] is definitely out of the organization
and has not been in contact with the group in sometime.

b6
b7C

[redacted] has recently expressed a desire to
reaffiliate with the organization in Chicago, however, has
not done so at the present time.

All of the above identified individuals with the
exception of the young men who are "under consideration"
pay a fee of \$5.00 per month for their membership. This
amount covers their affiliation in the ANP and/or the FAN.

The FAN in Chicago has recently received a quantity
of three page application blanks for membership in the FAN
organization. These applications delve extensively into
the background of the applicant. The organization locally
is expected to begin a big recruiting drive in the near
future.

On Friday, September 15, 1961, a meeting of the
FAN was held at Headquarters, Chicago, Illinois. Present
were [redacted]
and [redacted] and [redacted]

b6
b7C

CG [redacted]

b2
b7D

The basic discussion for the evening centered on the planned dinner to be held by the FAN group on Saturday, September 23, 1961, at the FAN Headquarters.

[redacted] who has recently "attached himself" to the FAN group, is the individual who recently received publicity in the Chicago area newspapers for distributing ANP literature at Prosser High School. Prior to the time that he distributed this literature he was unknown to the FAN group. [redacted] spoke during the course of this meeting of his interview by the FBI at the time of the distribution of this literature but was non-committal as to details.

b6
b7C

[redacted] and [redacted] are obviously quite security conscious and are openly opposed to the Anti-Defamation League and the Jewish War Veterans. It is generally felt that these two organizations are without proper authority in matters such as the activities of the Nazi Party. It is also generally believed that the FBI is properly authorized to inquire into such matters and merely has a job to do.

b6
b7C

On Sunday afternoon, September 17, 1961, a "social get-together" was held at FAN Headquarters. Present in the group were [redacted]

[redacted] and [redacted] This was not an official meeting of the organization and the general conversation was centered on the forthcoming FAN dinner.

b6
b7C

The Chicago FAN group will hold a dinner at FAN Headquarters on Saturday, September 23, 1961. [redacted] has sent out some 70 invitations utilizing the NSRP, the FAN and the ANP mailing lists. Though 70 invitations were sent approximately 30 are actually expected to be present. It is intended that a "German-type" dinner will be served to those attending which [redacted] will prepare. All of the members are expected to furnish the necessary material for serving this dinner. The chief reason for holding this function is to solicit donations from those present for electricity. Recently a demand for \$200.00 has been made on the FAN organization as a deposit for

b6
b7C

CG []

b2
b7D

electrical service. The figure is high due to the fact that the headquarters is directly connected with a store and apparently the commercial rate applies in such a case. Because of the size of the deposit FAN headquarters is currently without electricity and it is expected that t dinner will be served on Saturday night by candlelight. A. present candles are being utilized as is a Coleman type lantern, the property of []

b6
b7C

No charge will be made for the dinner but a donation will be asked of those present. The dinner is expected to be social in nature rather than an official function.

Regarding FAN Headquarters, [] has loaned the organization a large Swastika flag for headquarters use. The organization has recently purchased a stove, refrigerator, and two metal "Army type" cots for headquarters use. Ten chairs also have been purchased for use in the headquarters meeting hall. As a result of these expenditures the FAN treasury is nearly depleted.

b6
b7C

The lease for FAN headquarters continues to be held under [] name, however, the nature of the business for which the property is utilized has been now identified as its use as a political headquarters. The monthly rental of the FAN Headquarters which is \$150.00 is presently being paid by three of the local members, namely [] and [] Because of these expenses [] is seriously interested in instituting a recruiting drive hoping that by building the membership the expenses to himself and the other two members can be eased or perhaps obliterated.

b6
b7C

On Sunday evening, September 17, 1961, []

b6
b7C

[] and [] attended an evening of entertainment presented by the Organization of Arab Students, Greater Chicago Chapter. The function was staged for the benefit of the Arab Students Scholarships and Aid Fund (ASAF). The function was held at the Sheraton Blackstone Hotel on Michigan Avenue and Balbo Drive.

CG []

b2
b7D

Regarding the Arab Students and their activities in the Chicago area, there has been no indication that an approach has been made to the students or have the students approached the FAN organization to ask membership of the Arab Students. There has been no indication whatsoever that money has been received by the organization, not only from the Arab Students but from any outside organization.

Currently relations are strained between [] and MAYNARD ORLANDO NELSEN. This situation has resulted from a recent NSRP meeting which was attended by ROY FRANKHOUSER and []. A collection was taken at this meeting in the amount of \$67.00. From this amount NELSEN, who has identified himself as head of the NSRP in Illinois, was to pay the cost of the room for the meeting. The balance of the money was to be utilized for the expenses of FRANKHOUSER, currently National Organizer of the NSRP. However, the rift arose when NELSEN rather than releasing the money for use of FRANKHOUSER kept it for himself. As a result, [] and NELSEN are "going their own way" and it is not indicated at present that NELSEN is affiliated with the Nazi Party in Chicago.

b6
b7C

In connection with the above incident, FRANKHOUSER became irritated at NELSEN and denounced him as being inadequate in his position in Illinois in regard to the NSRP. At this meeting FRANKHOUSER gave [] authority to call an NSRP meeting at anytime he desired. This in effect puts NELSEN more or less out of NSRP activities.

b6
b7C

Regarding FRANKHOUSER and [] activities during their stay at Chicago, they arrived by automobile in Chicago on August 19, 1961, and came directly to FAN Headquarters at the invitation of [] and [] and FRANKHOUSER had purchased a 1947 Chevrolet for \$35.00 somewhere in the South and drove this car to Chicago. Other than attendance at the NSRP meeting neither FRANKHOUSER nor [] were active in matters while in Chicago. [] spent most of his time loafing at FAN Headquarters while FRANKHOUSER utilized the period in Chicago for sightseeing.

b6
b7C

Cg []

b2
b7D

FRANKHOUSER departed Chicago by bus on August 28, 1961, and [] left by bus on August 23, 1961. Both departed Chicago en route to Atlanta, Georgia. No contacts of [] or FRANKHOUSER are known during their period in Chicago.

b6
b7C

[] of NELSEN and [] was present at the bus station on August 28, 1961, to see ROY FRANKHOUSER off for Atlanta, Georgia. [] has no known organizational affiliation with the ANP movement in Chicago at this time.

b6
b7C

ROY FRANKHOUSER or [] were never known members of the ANP although it is known that [] was present at the ANP Headquarters when the movement was originally formed.

b6
b7C

No specific plans are presently in existence regarding FAN or ANP activities in the Chicago area, however, it has recently been mentioned that picketing demonstrations should once again be taken under consideration.

RACIAL MATTERS

Re Bureau letter to Chicago dated June 26, 1962,

Chicago letter to the Bureau dated July 13, 1962.

Both Chicago communications enclosed letterhead
memoranda, and both were captioned "NATIONAL STATES RIGHTS
- PARTY, RACIAL MATTERS."

The meeting of the National States Rights Party
(NSRP) for June 16, 1962, in Chicago, Illinois, which was
advertised in the "Thunderbolt", official organ of the NSRP,
and the meeting of captioned organization held that date in
Chicago, Illinois, were one and the same meeting. As the
Bureau will note, information in referenced Chicago communications
report some doubt as to the actual sponsor of mentioned
meeting since only occasional reference was made to the NSRP.
A review of material available regarding the meeting raises
question as to what purpose was served by this meeting in
relation to either the NSRP or the Institute for Biopolitics
since no action was taken to increase the membership, enhance
the financial standing, or further the cause of either group
in any way.

Chicago files, reviewed regarding the status of
subject organization, disclosed no evidence that an Institute
for Biopolitics does in fact exist as an organization.
Information available indicated "this is a paper organization"
formed by MAYNARD ORLANDO NELSEN, [redacted] and
EUSTACE CLARENCE MULLINS for the purpose of providing an
outlet for distribution of material prepared by them and
of offering them the opportunity to express their views
publicly at meetings such as this.

On June 16, 1962, a meeting was held at the La Salle Hotel, Mezzanine, Parlor F, Chicago, Illinois. This meeting had been advertised as a National States Rights Party (NSRP) affair and MAX NELSEN, who identifies himself as Illinois representative of the NSRP, was responsible for the meeting.

The meeting commenced at approximately 9 p.m. and terminated at about 10:45 p.m.

MAX NELSEN chaired the meeting and began by reading the prepared speech which was very long and uninteresting. NELSEN spoke of the Institute for Biopolitics and occasionally mentioned the NSRP. During the course of his talk, NELSEN gave no indication that the NSRP has a group in Chicago. This left some doubt as to the real purpose for the meeting or who actually sponsored it. Following NELSEN's speech, he

introduced GEORGE LINCOLN ROCKWELL, who spoke of the American Nazi Party, its aims and purposes. ROCKWELL was well received by those present.

Following completion of ROCKWELL's talk, NELSEN rose and praised ROCKWELL highly. He pointed out that he has never been nor is he now a Nazi, but he has changed his views of GEORGE LINCOLN ROCKWELL since his first meeting with him.

Each person attending this meeting was charged \$1 at the door and NELSEN announced upon the meeting's completion that a collection would be taken from those present as they left the room. The Proceeds of the meeting, less \$20, the rental charge for the meeting room, was to go for the benefit of the Vinland Book Store.

Chicago, Illinois
June 19, 1962

On Saturday night, June 16, 1962, at 8:45 p.m. a meeting was held in Room F, La Salle Hotel, La Salle and Madison Streets, Chicago, Illinois. This had been advertised as a meeting of the National States Rights Party. MAX NELSEN was in charge and in his opening remarks stated that the meeting had been called by himself as Illinois representative of the NSRP but that it was a meeting of the Institute for Biopolitics.

Approximately 55 people attended the meeting, including the following:

CG 105-4630

MAX NELSEN
GEORGE LINCOLN ROCKWELL

b6
b7C

MAX NELSEN gave a 45 minute introductory talk in which he stated that the Institute of Biopolitics is an organization established to help prevent racial suicide by the white race -- to help the white race to continue to exist without being swallowed up by the black masses. His purpose in calling this meeting was to explain this and acquaint the people with the situation today. He stated that among the right the NSRP is the vote-getting branch and that the ANP is the action group. He said he personally is a member of the Institute of Biopolitics, and the Illinois representative of the NSRP but is not a member of the ANP. While the NSRP and the ANP have no official connection, they are connected in that both believe in separation of the Negro and the white. He stated that GEORGE LINCOLN ROCKWELL, ANP Commander, was present on this occasion at his invitation as guest speaker. He also gave a plug for the Vinland Book Store, 2124 North Damen Avenue, Chicago, operated by the ANP and stated he would appreciate it if people present would patronize that book store. He then introduced GEORGE LINCOLN ROCKWELL.

CG 105-4630

ROCKWELL then explainted what he and the ANP stand for. He stated that while he is against Jews generally, he is not against the Jew just because he is a Jew but rather he is against traitors and he estimates that about 80% of the Jews in this country are traitors. He stated that Communists are traitors and that Communism is Jewish, starting back with KARL MARX. He stated that he has adopted the swastika as a shock symbol -- that it is a symbol of the white struggle for survival. He said that it is a Jewish lie that HITLER committed all the atrocities attributed to him but that "we are going to do some of those things attributed to HITLER which he didn't get done."

ROCKWELL's remarks were very well received and the meeting closed with a "Sig Heil" between ROCKWELL and the audience.

During the evening a collection was taken up announced by NELSEN as for the purpose of helping to defray expenses of the Vinland Book Store. The collection proceeds went to [redacted]. The admission charge to the meeting was \$1.00.

MAX NELSEN, it has been learned, has apparently changed his ideas regarding the ANP in Chicago. While he has not officially affiliated himself with the organization, he has apparently changed his views to the point where he regards the ANP's purpose and ideas as being in accord with his own.

[redacted] who with [redacted] was in custody of juvenile authorities, is now out of the organization. The Chicago unit is setting a firm rule that no one under the age of 18 will be allowed to affiliate themselves. [redacted] is apparently still in the custody of juvenile authorities.

[redacted] current residence is unknown but reportedly he formerly lived on [redacted]. He is currently known to drive a 1959 Rambler automobile.

[redacted] apparently is indifferent to the ANP. He has indicated that he is not in accord with the "organization" necessary in this kind of an operation. Apparently he is not considered to be completely cooperative.

[redacted] has recently remarked that [redacted] is out of the organization. He apparently is concerned in divorce proceedings.

[redacted] in July, 1962, appeared at ANP headquarters, Chicago, for a brief visit. His reason for the visit is unknown, however, he has not returned since that time.

IMPEACH KENNEDY CAMPAIGN GROWS

ADMIRAL CROMMELINS CAMPAIGN STEAMROLLS

Perhaps no other political campaign in years has attracted nationwide interest on the part of Right-Wing Patriots as that of the current Alabama Senatorial Race. Admiral John G. Crommelin is challenging Lister Hills seat in the U.S. Senate. Crommelin's slogan is "CLEAN THE TRAITORS OUT" that is exactly what he promises to do if elected to office. Lister Hill has the support of the known pro-Communist & NAACP element here in Alabama, plus that of the powerful Jew owned "Birmingham News" & W.A.P.I. T.V. (both owned by a radical Zionist Jew

is himself a half-Jew, (Hill's mother is a full-blooded Jewess, and according to the Jewish Bible, "The Talmud," to be a Jew one must be born of a Jewish mother.) Therefore the Alabama race for the U.S. Senate has boiled down to fight between the Christians and the Anti-Christ. Realizing tremendous significance in this race, and the fantastic differences in Crommelin, who practically represents TRUTH and LIGHT itself, as opposed to the DARK and EVIL surrounding Sen. Lister Hill. Because of the great Christ Vs. Anti-Christ aspect of this unusual

Since the announcement of the "Impeach Kennedy Campaign" in the last issue of the "Thunderbolt" a great number of petitions have been filled and returned to N.S.R.P. Headquarters, and orders for thousands more have been received. Due to the volume of requests for these petitions the original supply was exhausted and a second printing was made. Petitions are being sent in from all over the country as this campaign grows in strength and the Kennedy's continue to enrage the American White people with their socialistic Communistic reforms, proposals and blunders.

California leads in getting the most petitions filled, Ga., La., Oklahoma take second place with New York pushing hard. People in the Southern States have on an average been most active in this campaign because of their relative freedom of activity and freedom from fear. In the Northern and Midwestern States patriots must

NATIONAL STATES RIGHTS PARTY NEWS

SOKOLSKY SUED BY CHICAGO

N. S. R. P. CHIEF

By: Max Nelsen, Chairman of NSRP
OF Ill., Box 1785, Chicago 90, Ill.

The Jewish Communist 'apparat' in the United States consists of a number of well-known and much publicized news reporters and commentators. These professional propagandists run the gamut from ultra-respectable to filth-peddling pornographers. Somewhere between these two extremes of operation is a man calling himself George Ephraim Sokolsky.

WHO'S WHO states that this is his name, his father being Solomon and his mother being Bertha (Rappaport.) Obviously, he is of Russian Jewish descent. He attended the School of Journalism at Columbia University from 1913-1917. Also, in 1917, he is listed as being editor of the Russian Daily News of Petrograd. Later, in 1918, he was assistant editor of the North China Star of Tientsin.

It is significant that during this period, 1917-1918, another Russian Jew, Leon Trotsky (Bronstein) was actively engaged in Communist revolutionary activity which resulted in that nightmare monstrosity of today, the Soviet Union and Red China. An obviously similar pattern emerges in the relationship of Sokolsky and Trotsky with regard to background, time, place, and activity.

The U.S. State Dept. was responsible for the issuance of visas of both Sokolsky and Trotsky to Russia. It is a lie of history that the German General Staff permitted Trotsky to enter Russia. The Jewish Warburg Family, a revolutionary ghetto version of the Jewish Rothschild Family, had highly-placed representatives in both the governments of the United States and Germany during World War I. This Warburg Family, working both sides of the street, financed Trotsky and his New York City East Side criminal revolutionaries. An important liaison man in this operation was George Ephraim

Sokolsky.

In a syndicated article written by Sokolsky, appearing in a number of newspapers published on May 11, 1960, a libel was committed against Maynard O. Nelsen by stating that while a student at the University of Minnesota he (Nelsen) "paraded in a Nazi uniform and distributed Nazi literature." Mr. Nelsen's only political activity has been and is to attack Jewish Communism wherever and whenever it raised its ugly head.

Mr. Oscar Wyclif Harman, attorney for Mr. Nelsen, sued for libel against Sokolsky in the Superior Court of Cook County, Chicago, Illinois on May 9, 1961. Sokolsky sought refuge in the local Federal Court, pleading the 1st, 5th, 12th, and 14th Amendments to the Constitution. The case was accidentally assigned to a competent Federal Judge, who sent Sokolsky back to the Superior Court.

To-date, Sokolsky has refused to swear an affidavit giving the location of his citizenship. Here is a real case for the FBI to investigate, instead of harassing patriotic anti-Communist Americans.

The importance of this libel actions against a leader of the 'apparat' by two Americans with real guts and know-how, is what is important here. The power of the forces of evil in our midst is more imagined than real. By the simple act of bringing this vermin into the open in court, his power is thereby weakened. Jewish Communists are not immune to lawsuits, if the case is competently handled and pursued with vigor.

Whatever the final outcome of this libel action of Nelsen vs. Sokolsky, the effect has been to reduce the insidious influence and arrogance of a man who spews hate and subversion to millions of innocent American readers.

WELCOME 'GEORGIA TRIBUNE' SUBSCRIBERS

Two months ago the family of Parson Jack Johnston turned the subscription lists of "The Georgia Tribune" over to "The Thunderbolt" so that we might continue the good work of this crusading Minister. Hundreds of you "Georgia Tribune" readers took advantage of the special letter we sent you inviting you to join "The Thunderbolt." Due to your eagerness to continue to receive a real fighting Whiteman's newspaper, you gave us the greatest jump in circulation in the history of "The Thunderbolt." It makes us mighty proud to serve you and we hope to soon publish some of Parson Jack's best known writings. By uniting these Right-Wing publications, they can never pass away. Parson Jack still lives, here in the columns of "The Thunderbolt." We know that Parson Jack is here with us in spirit, guiding us to the TRUTH. We are so very happy to have all of his wonderful followers with us.

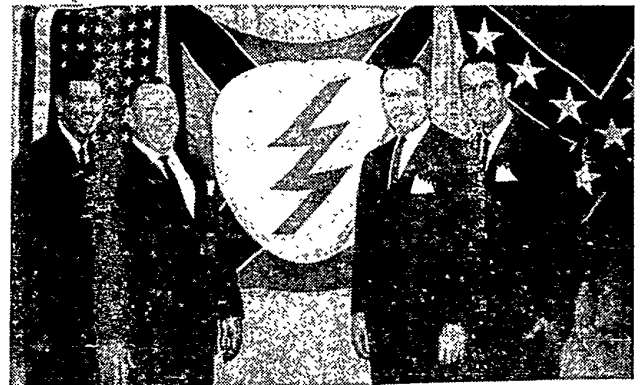

While in Miami, for the against Stanley Pospisil, Fields made study of the Cu refugee problem. Over 100, Cubans now live in Miami, on Welfare. They are arriving the rate of over 2,000 per we. It is almost a desperate situation that the U.S. Government overthrow the Communist Government in Cuba so that these people return to their homeland.

Over the years thousands Jews who couldn't get into U.S.A. moved from the old country to Cuba. They lived mostly Havana where they engaged some kind of tourist business: soak the vacationing Americans. They have now found a good excuse to 'flee to the safety of the old U.S.A.' and as usual they poor persecuted refugees. (Does the fact that the Commission business in Cuba is a Jew Castro is surrounded by the Most loyal Patriotic Cubans wanting to return to Cuba stay in Miami where they will be close to these thousands who are 'resettled' all over the U.S.A. mostly Jews, WHO HAVE NO INTENTION OF RETURNING CUBA. Over 30,000 more have flooded into America. United Jewish Appeal is forcing them all over the country, setting them up in one business another. The NSRP will drive these parasites out of America when we are elected to power.)

CG 157-3

ROCKWELL explained that he claimed he came to Chicago, at this time, for several reasons. Foremost of which was to attempt to correct internal affairs within the Chicago Branch, American Nazi Party (ANP). ROCKWELL noted that numerous charges have been placed against [] of the Chicago unit. ROCKWELL was of the opinion that there is a concerted effort within the Chicago membership to oust []

[] He indicated that it was his belief that this discord is fattered by [] ROCKWELL characterized [] as a "sneak" and one whom he does not feel he can trust. ROCKWELL stated that he feels, for some reason, that [] has "too much money to spend," does too much drinking, and as a result too much talking. ROCKWELL stated that if all the charges or most of the charges against [] are substantiated, he would reassign [] to the Arlington unit for further training in the handling of men. ROCKWELL described [] as a likeable person but one obviously too soft for the job.

b6
b7C

ROCKWELL noted for [] that he has issued explicit instructions that the ANP will cooperate with all levels of law enforcement, and he mentioned, specifically, the city police departments as well as the FBI. ROCKWELL stated that police officers may search the premises of party headquarters without warrants at any time. He charged that any person, within the membership, who denies such cooperation to police authorities will be immediately dropped from membership. In this connection ROCKWELL noted that he has "a definite reason" for demanding such cooperation. He noted that a time may come when one of the membership will be on trial for a violation of some law and ROCKWELL may feel, at the time, that by proving his cooperation with the police authorities, such will be a definite benefit on the outcome of the court proceedings. ROCKWELL noted that it may even be necessary to have law enforcement officers subpoenaed to testify to the fact that cooperation has been extended, and that the ANP has not been operating as a secret organization.

b6
b7C
b7D

CG 157-3

[redacted] stated that he learned that MAYNARD O. NELSON, known as MAX NELSON, has been in contact with the Chicago Branch, ANP, and may have applied for membership in that organization. Another individual, one [redacted] who is also known as [redacted] is reportedly an associate member who does not attend meetings, but who has given materially to the organization, in the past. Only recently he offered the Chicago group a small printing press, electrically operated, which it is said will turn out some one-thousand copies per hour.

b6
b7C
b7D

ROCKWELL stated that his earlier intention to supply the Chicago unit with his old printing press at Arlington has been "held back" until such time that it is known that the Chicago organization will not have to move from their current quarters. In this connection ROCKWELL noted action has been taken by "enemy forces" to rezone the area wherein ANP headquarters is located in an attempt to force them to vacate the premises.

[redacted] remarked that, during the course of his discussion with ROCKWELL concerning various individuals associated with the ANP, the following information was developed:

b6
b7C
b7D

[redacted] who had applied for membership who did not complete his application, was denounced because he is considered to be [redacted]

[redacted] a former member of the Chicago ANP, periodically contacts [redacted] in an effort to start a new Nazi movement. So far he has been completely unsuccessful.

b6
b7C

[redacted] the new arrival in Chicago, apparently is in line for the top spot in the local organization if he desires to stay in Chicago.

He appears to be well trained in ROCKWELL's tactics, [redacted] stated.

b6
b7C
b7D

CG 157-3

[redacted] is another recent arrival from national headquarters at Arlington, Virginia. [redacted] has admitted former membership in the Communist Party (CP) for a period of approximately fourteen months on the West Coast. He has suggested to ROCKWELL that he be allowed to join some local Communist movement to enable him to submit regular reports concerning the Communist activities in the Chicago area.

b6
b7C

[redacted] stated that ROCKWELL made known that intention to [redacted] and [redacted] a member formerly associated with National Headquarters at [redacted] who is now assigned to the Chicago unit.

Re Chicago letter, dated 9/20/61.

Enclosed herewith is one Xerox copy of a letter received by me from captioned individual, dated 3/25/63. Also enclosed is one Xerox copy each of two letters which NELSEN enclosed to me.

Upon receipt of the letter from NELSEN and noting its extremely distasteful contents, my first inclination was to immediately send Agents from this Office to severely admonish NELSEN and to straighten him out in this matter; however, following a review of material concerning NELSEN as contained in our files, which review included referenced letter which reflected among other things that NELSEN is anti-semitic to the point of being considered psychotic, I decided upon a different course of action. I immediately instituted inquiries in a most discreet manner to ascertain the possibilities of having NELSEN committed because of his obvious mental capacities. In this regard, it is my intention to fully and discreetly explore all possibilities of possible commitment.

In arriving at my decision to proceed as set forth above, I have considered numerous contacts made by NELSEN with this Office in the past. I have noted and I am sure the Bureau is aware as to the variety of matters these contacts concern and have noted that some even border on the ridiculous. It seems apparent that NELSEN derives certain pleasures from the idea that the FBI is interested in him.

For the above reasons, I am not acknowledging NELSEN's letter. I feel that such acknowledgment would do no more than serve as encouragement for future correspondence of this kind. I am also of the opinion that personal contact with NELSEN by representatives of this Office would serve no useful purpose because of his mental condition and would only present NELSEN with an opportunity to cause this Bureau embarrassment. Chicago files strongly indicate NELSEN would not accept admonishment and for the reason stated, no contact will be had with him.

Re Chicago airtel dated 3/27/63, captioned

Buairtel to Chicago dated 4/2/63, captioned as above.

[redacted]
[redacted] who has been contacted on a
confidential basis almost daily by representatives of the
Chicago Office, was contacted on 3/27/63 by SA ROBERT J.
DOLAN and on 4/9/63 by SAs DOLAN and [redacted]
[redacted] stated that [redacted] are fully cognizant of the
irrational attitude and highly questionable activities on
the part of NELSEN. He noted that the possible commitment
of the subject because of his obvious mental instability
is and has been a consideration. He noted, however, that
NELSEN has been cautious in the past to limit his activities
to a point short of actually violating the law. As a result,
since NELSEN cannot be incarcerated for such actions which
are limited in extent, official consideration regarding his
possible commitment cannot be made. [redacted] noted,
however, that NELSEN's activities will continue to be held
in close scrutiny.

On 4/8/63, contact was made with Chief of Police
MARK ORLICK, Hoffman Estates, Illinois, by SAs ROBERT J.
DOLAN and [redacted]. It is noted that captioned
individual currently resides at 114 Morgan Lane, Hoffman
Estates, Post Office Roselle, Illinois. It was learned
through this contact that files of the Hoffman Estates
Police Department do not contain an identifiable reference
to NELSEN. In addition, Chief ORLICK advised NELSEN is not
known to him personally.

b6
b7C

NELSEN's activities were discreetly discussed with
Chief ORLICK, who has been very cooperative with this
office in the past and whose integrity this office has never
had reason to question. He was confidentially apprised of

the fact that NELSEN has been characterized as being "anti-Semitic to the point of being considered psychotic." Chief ORLICK stated that he would immediately undertake a personal alert attitude toward NELSEN's activities and stated that henceforth he will take all necessary steps to insure that all available information regarding NELSEN will be brought to his personal attention. He advised that any pertinent information received by him will be furnished immediately to the Chicago Office.

On 4/8/63, [REDACTED]

[REDACTED] whose reliability is unquestioned, was contacted by SAs DOLAN and [REDACTED] who is fully aware of NELSEN's background and activities was advised in a most confidential manner of the Bureau's concern over NELSEN's completely unexplainable activities. [REDACTED] immediately voiced his complete accord with the concern necessitated by NELSEN's unwarranted attacks on individuals, organizations, etc. He pointed out that he has personally undertaken a vigilant attitude regarding NELSEN's scurrilous attacks, looking for the time when NELSEN can be officially called to account for such actions before proper authorities.

I have instructed representatives of this office to continue to maintain contact with the individuals identified above. I have directed that they maintain such contact in a most discreet manner and that such liaison be continued so that no possibility will be overlooked in considering the possible commitment of this individual. In addition, I have instructed that the Bureau should be immediately furnished with all developments in this matter.

Dear 'Red' ...

I see by the local kike newspapers that you are interested in improving 'race relations' in Chicago.

I want to begin by making a short analysis of our contemporary American society:

Upper Class		Jews
Middle Class		Those who worship Jews
Lower Class		Those who are insane

Needless to say, I am insane. Of course, many others are insane also. It is obvious that you are a member of the 'Middle Class', but with some re-education, you could easily become a member of the 'Lower Class'. I understand you are a Whiteman of Irish descent, even though you are classified as a 'shabez-goy'.

✓ Three of the five men listed on this letterhead are of Irish descent. Why not visit the local Nazi Party Hq. at 2124 N. Damen and meet other 'real' Irish boys? Why not come back to your own people TODAY? After all, the kikes' days are numbered, so why bet on 'a dead horse'?

The meeting was called by NELSEN for the purpose of discussing the present situation of eight members of the National States Rights Party who were indicted in September, 1963, by a Federal Grand Jury at Birmingham, Alabama, on charges growing out of attempts to interfere with court-ordered racial desegregation in Birmingham public schools. Following the meeting a collection was taken from those present for the benefit of the indicted National States Rights Party members. No action, however, was decided upon.

MEETING OF [REDACTED]
[REDACTED]

This meeting was held in [REDACTED] which is located on [REDACTED] at the above named [REDACTED]. Meeting was conducted by MAX NELSEN. There were two other speakers including a [REDACTED] (spelling is phonetic) who appears to be in his [REDACTED]
[REDACTED]
[REDACTED]

There was also a woman speaker, about 40 years of age, name not learned. she stands about 5'6" in height, to 5'8", weighs about 120 pounds, fair complexion.

There were a total of about 30 persons there, including [REDACTED] and [REDACTED] and one [REDACTED] introduced [REDACTED] and [REDACTED] to MAX NELSEN and later explained that NELSEN wants to know anyone that attends one of his meetings and that he had seen [REDACTED] and [REDACTED] enter the hall and asked [REDACTED] to introduce him to them. [REDACTED] had also explained that [REDACTED] was associated with the American Nazi Party but that [REDACTED] was unknown to him.

Purpose of the meeting and talk was to take up a collection for the upcoming trial of [REDACTED] and several other persons, a listed total of 7 in all, that had been indicted by a Federal Grand Jury, in the south.

NELSEN explained that he had known [REDACTED] and one of the other men for several years time and that they had befriended him during 1947 when he was accused and arrested on a charge of threatening a foreign born college professor in Wisconsin while he, NELSEN, was a student there.

NELSEN read a portion of the indictment, where the group was charged with "speaking to a group," or before a group. He did not, however, read the complete indictment of which he had a photostatic copy. This copy was not passed around the room.

During the speech he decried the arrest of these men, stating that it was alright under the present system of government for Negroes to hold open speaking sessions and that men associated with NAACP or other integration groups including MARTIN LUTHER KING, who are known communists are never molested by the law, but that if a white man speaks his mind against integration, he is arrested and hauled before a Federal Grand Jury.

He ran down the Federal Grand Jury, and ~~the~~

~~He~~ stated that the Federal Agents, and the Postal Agents that call on him from time to time, are working for Jew interests in Washington and that ROBERT KENNEDY's right hand man in hiring personnel for the U.S. Government at the present time is a Jew.

In his talk he stated several times, "Talk about anything you want. Talk about flouridation, and I will come back to the Jew. Talk about taxes and I will come back to the Jew. Talk about integration and I will come back to the Jew."

Mr. NELSEN also said during a brief question and answer period that members of the NSRP and associated organizations should infiltrate both the Democratic and the Republican parties during the next election campaign and constantly talk of Jews in either party and their control of the country and politics. He does not want, according to his line of talk, any particular candidate voted into office. He said, "I want the white man to hit rock bottom. You can not talk to him now. Make him go all the way down the hill. When he wakes up some morning and finds nothing but Niggers on one side and nothing but Jews on the other side, and he has his back to the wall then and only then will he fight."

In speaking of the coming election, he advised that the group, referring to those in the audience, was a small one, but that only 5 per cent or 10 per cent would be needed to throw any election in the country.

He also advised that there would be a leader for the white man in the near future in the U.S. He did not consider himself as being this man.

CG 105-4630

At the beginning of the talk, he mentioned that he knew GEORGE LINCOLN ROCKWELL and that they had exchanged ideas, and that he regarded him very highly. He also advised that ROCKWELL had done a lot of good for the white man in his fight for the white man and that the propaganda and the other activities he and his party engage in have done a tremendous good for the white man.

There was a collection taken up at the end of the talk.

Some literature was passed out.

[redacted] and [redacted] drove [redacted] home. [redacted] is now living on the [redacted] in a three story brick, blonde brick, building.

The purpose of the meeting, according to NELSEN,
was to collect money for the defense of one JESSE STOVER and
other NSRP people, who were indicted in connection with a
racial disturbance in the South. NELSEN explained he had
known STOVER and others of the NSRP for several years. He
read part of the indictment ~~AND CONDEMNED~~ the arrests,
stating that if a white man speaks out against integration
he is arrested. At the same time, however, Negroes and
people associating with the integration groups are never

He predicted that a leader of white men will emerge
soon in the United States, but that this will not occur until
the white man has hit bottom and discovers some day that he
is surrounded by Negroes on one side and Jews on the other.
NELSEN also referred to GEORGE LINCOLN ROCKWELL and the ANP,
stating that he regards ROCKWELL highly and that he and the
ANP have done a lot for the white man. At the end of the
meeting, a collection was taken up.

MAYNARD ORLANDO NELSEN

On December 10, 1954, Max Nelsen stated that he is the "head of a vast anti-communist underground movement throughout the United States." Nelsen indicated that he was the Manager of "Realpolitical Institute" and is responsible for the preparation and distribution of leaflets from this organization. He produced a leaflet which indicated the purpose of the organization as follows:

"The Realpolitical Institute will sponsor a new, positive type of political action whereby the struggle against internal subversion is taken directly to our own Whitefold, whose minds have been drugged by motion pictures, radio, television and the infiltrated press. A former motion picture theatre will be purchased in the Chicago area and used as a community center where patriotic White men can meet and discuss the crucial questions of the day. Vital political issues will be dramatically presented through programs by loyal American nationalist leaders, speakers, and entertainers."

In April, 1955, it was learned that the Realpolitical Institute was started by Maynard Nelsen in approximately November, 1954, in Chicago, Illinois. Nelsen's purpose was to create a new political party called the Realpolitical Institute. This organization is anti-communist, anti-Semitic, and favors the white race. Nelsen hoped to gain a following for his party on these issues.

This organization failed to get "off the ground" and did not attract interest or a following. There were no known members other than Nelsen, whose main activity in the organization was the occasional circulation of mimeographed leaflets in the Chicago area. Nelsen's idea was to get the

RE: MAYNARD ORLANDO NELSEN

organization started by holding mass meetings in a theatre, though such meetings have failed to materialize. The only apparent money used to promote this organization was from Nelsen's own funds and, perhaps, an occasional contribution.

Nelsen attempted to borrow money to set his plan in operation, but failed in this attempt. The organization did not participate in parades, demonstrations or acts of violence.

In October, 1947, Nelsen was arrested for writing threatening letters and at the time of the arrest plans for a fascist organization (not further identified) were found on his person, as well as anti-Semitic fascist literature from the Patriotic Research Bureau. The Patriotic Research Bureau is an organization founded in 1938 which accumulated, compiled and published anti-Semitic and anti-communist propaganda.

In May, 1947, Nelsen, then a student at the University of Minnesota, admitted he was the Minneapolis leader of the Democratic Nationalist Party, an organization described as a "hate group" which advocated persecution of racial minorities.

In June, 1955, it was learned that Nelsen was a member of the "American Committee for the Advancement of Western Culture," an organization reported to have former top Nazis in its international leadership.

Nelsen formerly resided in Minneapolis and was arrested in Minnesota in April, 1947, after he admitted placarding the University of Minnesota campus with anti-minority posters. In October, 1947, Nelsen appeared in Minneapolis attired in a Nazi uniform and carried detailed plans to "overthrow the Government." These plans were not further identified. Nelsen was placed on probation following a hearing that he be placed in an institution. Judge James Kehoe, when discharging Nelsen from parole said that Nelsen's "egocentric and inappropriate thinking has disappeared."

In November, 1958, Nelsen and an associate established the M & N Associates, Post Office Box 1785, Chicago 90, Illinois.

RE: MAYNARD ORLANDO NELSEN

M & N Associates is a "paper organization" set up to distribute anti-Semitic and anti-Negro literature. In April, 1961, Max Nelsen contacted the Chicago Police Department and identified himself as being employed and residing in the Chicago area, and stated he is affiliated with the National States Rights Party which is headquartered in Birmingham, Alabama. He added that he handles functional propaganda for the Party. Nelsen stated he wrote the National States Rights Party program and added the Party dealt only with legal politics. Nelsen stated his main activity with the National States Rights Party is to attack communism, communist organizations and individuals, especially in the Chicago area. He stated that in this manner he expects to be introduced to the public which will serve his political ambitions culminating in his election as Governor of the State of Illinois ten years from now under the National States Rights Party political label.

In November, 1963, Max Nelsen attended a meeting of the National States Rights Party in Chicago, Illinois.

It was learned in March, 1960, that Nelsen has often expressed himself as a "racist" to the point of being psychic. When Nelsen "takes off" on his anti-Semitic and anti-Negro tirades he becomes pale white, highly excitable, nervous, shakes and shows evidence of uncontrollable facial contortions. Nelsen owns a .357 Magnum revolver and a five inch dagger which Nelsen supposedly carries with him in a briefcase at all times.

In view of the above information Nelsen possibly constitutes a threat against the life of the President of the United States.

Nelsen is described as follows:

Employment	United Labor Services, 360 North Clark

Dear 'Bobby-O':

Well, now that the shooting is over I want to convey my
very personal condolences to you and your entire anti-White,
Jew-worshipping, nigger-loving family.

Really, we of the 'radical right' lost the best-possible
whipping-boy, when your brother was shot by one of your
own Marxist types, a real Trotsky nut.

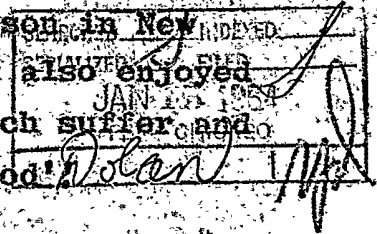

I have recently read JFK, THE MAN AND THE MYTH by Victor Lasky.

This book is a fitting monument to your phony brother ...
the assassination makes for a rather bizarre ending to the
entire farce. Imagine, the illiterate son of a multi-millionaire
becoming President of the United States! This is too much!

As the son of a poor, White, factory worker and CIO organizer,
who never stole a penny, I personally enjoy the misfortunes of

the rich. I enjoyed the death of Rockefeller's son in New
Guinea (I was there during World War II), and I also enjoyed
the Dallas shooting ... it is good to see the rich suffer and
die just as the poor ... this is 'real brotherhood'.

**PLANS FOR CONSOLIDATION OF EFFORTS BY VARIOUS
RIGHT WING ELEMENTS.**

The following is [redacted]
[redacted] of the ANP, Chicago, [redacted]
[redacted] of the same organization, [redacted]
MAX NELSON of the NSRP at a later meeting, held in a Pixley
and Ehlers Restaurant, on North Clark Street near Kinzie.

b6
b7C
b7D

Elements of the various so-called right wing active
in the Chicago area, and possibly through the State of Illinois
should begin working together as much as possible and as fast
as possible.

If the various groups could work together in one
concerted effort on one thing only, they would be able to
make a successful venture out of this concerted action, and
could then build up morale enough to tackle another project
on a mutual basis.

The co-ordination would have to be handled entirely
by the leaders of the various groups, who would in effect have
their own organization. All members of the various right wing
groups are working towards the same goal, but they are working
in such a variety of directions that they are destroying any
possible effectiveness. This is an extremely frustrating
thing. Persons who are in a leadership, or "inside" position
in the various groups know that they have enough power within
their grasp to accomplish a great many things, with concentrated
effort, that they are constantly losing ground on, because
of a lack of co-operation between the various groups.

The first step that [redacted] has in mind is the coming
elections during 1964.

b6
b7C

His explanation of the proper course of action to
follow is as follows:

In the coming elections, pick a man already active
in politics, whose record, attitude, and speeches, mark him
as being a person with definite right wing leanings. The man
would be picked on this basis only, whether he was Democrat
or Republican or Independent would not, could not in fact,
matter. It is felt, however, that in the Chicago area, the
man would hardly be a member of the Democratic Party. This
feeling is brought on by the strict control that Mayor DALEY
has shown he has over the Democratic Party in Chicago, and
throughout other areas of the State.

After the man has been picked, the leaders of the various right wing groups, would inform their groups of this decision, and would in various manners campaign for his elections, throughout various right wing groups. They could not publicly state that such organizations as ANP, the NSRP, the Birch Society or others were supporting him.

It is felt that if all of the members of the various right wing groups were to vote for one or two men, so chosen, that these votes, along with the votes he would get from his own party, besides the votes that he would probably pick up by "accident" could put him into office with a good, if not a large, majority.

[redacted] as follows. This would be one terrific boost to the entire right wing. We could all state, "We put a man in office." The office he has in mind is one of the state legislative offices, as well as attempting the same course of action at a local level, possibly city and county.

b6
b7C

He has further developed this plan to where joint meetings could be held. It is felt that the ANP should, and could, continue its roll of Shock Troops, for the right wing, with other groups, NSRP, WAL, former members of the White Circle League, and possibly the Birch Society acting in support.

b6
b7C

[redacted] is as follows:

The American Nazi Party, is admittedly the only organization on the Right Wing that is an open action group. It is the only group that publicly pickets at the risk and with the knowledge that the members on the picket line will very likely be arrested.

The arrests occur because those in authority in the City of Chicago know that they are dealing with a very small group, the uniform worn being unpopular, and the Swastika arm band creating feelings that prevent people from coming to their aid openly if they feel that the men on the picketline are being unjustly handled.

[redacted] and other members of the ANP do not mind belonging to a "Shock Group, or Commando Group" but that they are tired of belonging to a Suicide Squad, and getting no help or assistance.

b6
b7C

[redacted] and NELSON all agree on the following:

b6
b7C

Sometime during 1964 a picket should be arranged. Uniforms will be worn, or not worn, a decision to be reached at a later date. The signs carried will be a quite type. The meeting to be picketed will have to be a Communist Meeting or a Communist Front Group. The signs will show this, but there will be no signs referring to gas chambers, or making references that Communism is Jewish.

Members of the ANP will be on the line. Members of other groups will be asked to join. Members of other groups will definitely be in the crowd, talking down the agitators, always present at such affairs whose sole function is to draw attention away from the meeting being picketed, and concentrating it on the picket line, in an effort to violently break up the picket line.

[redacted] feel that if a picket line of 15 or 20 persons could be assembled, and that if 25 or 30 other persons could be mingling with the crowd, shutting up the agitators in various way short of violence, there would very likely be no arrest of any sort as far as those on the picket line would be concerned.

b6
b7C

The feeling is that if this would work once, it would work the second time. If they could gather a volunteer force of 30 to 50 persons, total, for one picket, they could get as many as they needed for any future picket, if handled in the right manner.

At that time the Right Wing groups would have formed some consolidated efforts that would have been successful, and then the right wing would have become an actual force in being.

November, 1968
Chicago, Illinois

This meeting of the White American League is the first known meeting this organization has had, to the knowledge of the writer. It is an organization that was established by [redacted] with the assistance of various other members of the Chicago Headquarters of the American Nazi Party (ANP), including [redacted] and [redacted]. It is to operate as a front group organization for the ANP in Chicago, and as the name tends to imply is a racist organization, the main plea of the organization to those it is trying to attract as members being the preservation of long established white residential neighborhoods in the City of Chicago. A number of pamphlets had been passed out by members of the ANP prior to this meeting. These contained a small paragraph or two concerning WAL and a request for people to join the organization and assist it in its struggle, or attempt, to combat the open housing law passed by the Chicago City Council under Mayor DALEY. It requested people to, "join the local chapter in your neighborhood."

b6
b7C

Such local chapters do not actually exist. Below the section which was lined and had places for some 30 some signatures was Post Office box number. This box is located at the Main Post Office, Chicago, and was formerly used by ANP's White Youth Corps, or was a box used by MAX NELSEN, who is associated with NSRP. The operation of the WAL was to be conducted by members of the Chicago Headquarters of the ANP from the apartment at 1808 West Warner Avenue, Chicago, Illinois. There was the possibility that should the organization begin to show signs of definite success in being established that some of the persons joining might be asked to assume the responsibilities of heading a local chapter in their neighborhood. If this worked, then the organization would in reality become a city-wide organization, with local neighborhood chapters. The idea of using the local or neighborhood chapter, line in the very beginning was to create the feeling that the aforementioned goal had already been reached and that the organization was then a city-wide organization.

The first meeting took place in the YWCA at 5711 South Ashland Avenue, Chicago, Illinois, [redacted]

b7D

[redacted] This is located in the Woodlawn District of Chicago and a short time prior to that had been the scene of racial disturbances

of some duration when several Negro families moved into what had been a long established white residential area of many years standing. It was for the very reason that the area had begun a period of transition, and that there was a good deal of tension, that this area was chosen for the first public meeting. It was felt that only persons that were feeling the effects of the Open Occupancy Law could in all honesty be receptive to the pleas, or to the ideals, of the White American League, that in sections of Chicago where such an occurrence had not taken place, the people living there could not understand or grasp the ideals of the WAL.

According to information learned from [redacted]

No swimming pool facilities, or lodging facilities were noted, and it appeared to be devoted primarily to off the street activities. According to [redacted]

A film was shown which was taken someplace in the southern part of the United States, in which the main speaker spoke against integration in any form. There was no violence in this speech, the speaker advocated a complete separation of the races, Negro and white. He also had a periodical printed setting forth his arguments, and it was explained after the film was over that these could be purchased from those conducting the meeting or that orders would be taken. The price asked was \$1.00 over the price stamped on the booklet, and it was explained that the additional dollar was to be used to conduct other meetings of this type, including the expense of supplying movies, other literature which could be passed out free of charge, and the charge of renting a place where the meeting could be held.

[] gave a short address to the people in which he cited instances where nations or civilizations had fallen because of race mixing, claiming that the Roman Empire was one such point in history, and that Puerto Rico was another. He also claimed that the leaders - a great many if not all - of the integration movement had definite Communist associations, and some were known or believed to be members of the Communist Party. He also made the point that the entire integration movement had a great deal of communist backing right from the start. To back this up a paper was passed around which bore a photograph of MARTIN LUTHER KING and several other persons seated in large rooms, apparently taking notes, or listening to a lecture. The caption identified KING and several others, and named some of them as known communists, and identified the place where the picture was taken as being a CP training school in the United States. In addition a number of copies of the "Daily Worker" were passed out, the theme of the issue involved being in complete support of the Freedom March, and some articles told of what a success this was to be. This issue was dated about August 25, 1963, some three days before the Freedom March occurred.

b6
b7C

[redacted] made a very short talk, in which he brought up the Emancipation Proclamation of the late President ABRAHAM LINCOLN. [redacted] informed the group that there are 31 highly important words in that document, in which LINCOLN advocates the transportation of all Negroes in the United States back to Africa or some other suitable country, where they could establish their own country, and government.

b6
b7C

The second film that was shown was "Operation Abolition". The film had just reached one of its high points when a group of uniformed police officers of the Chicago Police Department entered the room. They had entered from the street - or front - door of the building, crossed through a small office space and into the large central room where the group was sitting. They were headed by a young man who appeared to be about 30 years of age, 6' - 6'2" in height, well built, jet black hair, and sharp handsome features. He was in civilian dress, and appeared to be in charge. Another man, a tall appearing Negro, also in civilian dress, remained in the office section of the "Y" and both of these men were said to be detectives by one of the persons attending the meeting who lived in the area.

The younger man conducted the questioning of those present, and checked identification of those who did not live in the area, and questioned them as to what they were doing there if they were not residents of the area. He referred to them as rebel rousers, and informed them that they had better not hold any further meetings in that area.

All persons present with the exception of [redacted] [redacted] were immediately released. [redacted] was taken to the police station at 62nd and Racine Avenue, Chicago, and charged with Criminal Damage to Property.

MAYNARD ORLANDO NELSEN

On February 28, 1964, a confidential source advised that Maynard O. Nelsen resides at 114 Morgan Lane, Hoffman Estates, Illinois.

On February 28, 1964, a second confidential source advised that Nelsen is currently employed by United Labor Services, 360 North Clark Street, Chicago, Illinois.

On October 27, 1963, the second and a third source advised the Chicago Office of the FBI that from 8:30 PM to 11:30 PM, Saturday, October 26, 1963, a meeting held in the name of Institute for Biopolitics was conducted in the Lincoln Room of the Teutonia Club, 3730 North Clark Street, Chicago, Illinois. Max Nelsen acted as chairman of the meeting and approximately 30 persons were in attendance. This meeting, according to the sources, was called by Nelsen for the purpose of discussing the plight of eight members of the National States Rights Party who were indicted in September, 1963, by a Federal Grand Jury at Birmingham, Alabama, on charges growing out of attempts to interfere with court-ordered racial desegregation in Birmingham public schools. At the conclusion of the above meeting a collection was taken up for the benefit of the indicted National States Rights Party members but no further action was decided on.

It is noted that the second confidential source referred to above advised on June 19, 1962, that during the course of a similar meeting held on June 16, 1962, called by Nelsen under the name National States Rights Party, Nelsen delivered a 45 minute introductory talk regarding the Institute of Biopolitics. He described the organization as one established to help prevent racial suicide by the white race and to help the white race to continue to exist without being "swallowed up" by the black masses. Nelsen stated at the time that the purpose in calling the meeting on June 16, 1962, was to explain the above and to acquaint the people with the situation today. Source stated Nelsen identified himself as the Illinois Representative of the National States Rights Party.

On October 28, 1963, the third confidential source identified above advised that the Institute for Biopolitics is, from all appearances, a "one man organization" formed by Max Nelsen to provide him with a "platform" from which he can publicly express his personal views.

In connection with above described meeting held on October 26, 1963, a fourth confidential source advised that during the course of Max Nelsen's appearance at this meeting, Nelsen charged in his talk on several occasions that "talk about anything you want. Talk about fluoridation, and I will come back to the Jew. Talk about taxes, and I will come back to the Jew. Talk about integration and I will come back to the Jew."

Nelsen said during a brief question and answer period that members of the National States Rights Party and associated organizations should infiltrate both the Democratic and Republican Parties during the next election campaign and constantly talk of Jews in either party and their control of the country and of politics. He does not want, source said according to Nelsen's line of talk, any particular candidate voted into office. Nelsen said "I want the white man to hit rock bottom. You can't talk to him now. Make him go all the way down the hill. When he wakes up some morning and finds nothing but Niggers on one side and nothing but Jews on the other side and he has his back to the wall, then and only then will he fight".

Source added that at the beginning of Nelsen's talk he mentioned that he knew George Lincoln Rockwell and that they had exchanged ideas. Nelsen stated he regarded Rockwell very highly. He also advised that Rockwell had done a lot of good for the white man in his fight and that the propaganda and activities Rockwell and his party engaged in, have done a tremendous amount of good for the white man.

The fourth confidential source advised on January 3, 1964, that at approximately that time Nelsen was in contact with representatives of the American Nazi Party at Chicago, Illinois. Regarding the possible consolidation of right wing activities in the Chicago area. Nelsen was known to be in agreement with the American Nazi Party's proposed plan to attempt the consolidation of the right wing on projects looking to a concentrated effort, especially in coming elections.

The United States Department of Justice, Washington, D.C., has received the following letter dated January 6, 1964, signed by one "Max Nelsen". This letter bears the heading "Institute for Biopolitics" and the return address "P.O. Box 1785, Chicago 90, Illinois, U.S.A."

"Well, now that the shooting is over I want to convey my very personal condolences to you and your entire anti-White, Jew-worshipping, nigger-loving family.

"Really, we of the 'radical right' lost the best-possible whipping-boy, when your brother was shot by one of your own Marxist types, a real Trotsky nut.

"I have recently read JFK, THE MAN AND THE MYTH by Victor Lasky. This book is a fitting monument to your phony brother ... the assassination makes for a rather bizarre ending to the entire farce. Imagine, the illiterate son of a multi-millionaire becoming President of the United States! This is too much! As the son of a poor, White, factory worker and CIO organizaer, who never stole a penny, I personally enjoy the misfortunes of the rich. I enjoyed the death of Rockefeller's son in New Guinea (I was there during World War II), and I also enjoyed the Dallas shooting ... it is good to see the rich suffer and die just as the poor ... this is 'real brotherhood'!

MAYNARD ORLANDO NELSEN

On April 14, 1961, a fifth confidential source advised that Maynard Orlando Nelsen holds Post Office Box 1785, Chicago 90, Illinois, under the name Real Political Institute.

The third confidential source, previously mentioned, advised on February 7, 1964, that Max Nelsen was in attendance at a meeting on February 6, 1964, held under the name of the National States Rights Party in Chicago, Illinois.

On April 4, 1955, a sixth confidential source advised Real Political Institute was started by Maynard Orlando Nelsen in approximately November, 1954, in Chicago, Illinois. Nelsen's purpose was to create a new political party under the name Real Political Institute. This organization is anti-Communist, anti-Semitic, and favors the white race.

Confidential sources familiar with the activities of the American Nazi Party, the National States Rights Party, and Racial Matters in the Chicago, Illinois area were contacted during March, 1964, regarding Maynard Orlando Nelsen. These informants advised that they could furnish no current information regarding the activities of Nelsen.

AMERICAN NAZI PARTY OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO
KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leaders," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP-WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that GEORGE LINCOLN ROCKWELL has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, [redacted]

[redacted] advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP although until December, 1962, it received all of its literature from GEORGE LINCOLN ROCKWELL's ANP.

APPENDIX

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second, "the dissemination of our program and the truth about the Party;" third, "organizing the people who have been converted to our propaganda;" and fourth, "that attainment of power through the votes of the newly-won masses."

AMERICAN NAZI PARTY
MIDWEST DIVISION, CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. George Lincoln Rockwell, National Commander, ANP, took charge of this meeting.

On May 22, 1962, [REDACTED]

[REDACTED] advised that the ANP in Chicago is to a degree autonomous although it remains subject for final authority on George Lincoln Rockwell and ANP National Headquarters.

On January 15, 1963, [REDACTED]

[REDACTED] advised that the Chicago headquarters of the ANP controlled the activities of the organization in the States of Illinois, Indiana, Iowa, Michigan, Minnesota and Wisconsin.

A second source advised on February 6, 1963, that as of January 31, 1963, the Chicago unit of the ANP became known as the Midwest Division, ANP.

The first source advised on June 3, 1963, that as of that date the Midwest Division, ANP, vacated their headquarters which they had formerly maintained at 2124 North Damon Avenue, Chicago, Illinois, and henceforth meetings of that organization would be held in the residences of the organization's members.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] of the NSRP, is the individual who "runs the NSRP."

Address by [] NSRP, At Club Europa, 2151 West Roscoe Street, Chicago, Illinois, Thursday, 6, February, 1964.

b6
b7C

[] of the National States Rights Party (NSRP) was scheduled to give a speech at the Club Europa, located at 2151 West Roscoe Street, Chicago, Illinois, on the evening of Thursday, February 6, 1964. The talk was scheduled to begin at about 8:00 PM.

The group attending began gathering at about 7:00 PM. These early arrivals consisted mainly of persons with an active interest, or an apparently active interest, in the organization sponsoring the talk, or other right wing groups.

The talk was to be given in a hall rented for that purpose, the hall being located at the rear of a tavern in the building at 2151 Roscoe. It is a German type of establishment with a bar, and food prepared German as well as American style. As the group began arriving in increasing numbers the expression on the face of at least one of the bartenders would tend to show that there appeared to be some unhappiness among those directly with the establishment about the assemblage.

Known members of the NSRP attending included; [] with him was a young man appearing to be in his early twenties, ruddy complected, reddish colored hair cut in a crew cut, wearing glasses, rimmed, and a rather sharp prominent nose. He is about 5'10" and appears to weigh about 150 to 160 pounds. He is one of those that was indicted in one of the southern states with [] for passing out literature at an integration meeting or for aiding in segregationist activities. He was introduced by [] but did not make any speech. [] was the third person at the speakers table. He was

b6
b7C

[] MAX NELSEN was also present. He did not take an active part in the proceedings, however. He sat in the audience, but is believed to helped get the hall ready earlier in the evening, arranging the hanging of party flags, setting up of tables, etcetera, and is believed to have been in contact with [] since the latter arrived in Chicago. There were several other persons present that have been seen attending various right wing meetings in Chicago, reference here is to other NSRP meetings and the Pro-America Forum. However, their names were not known. [] was also present. (Spelling is phonetic)

Present also were a number of members of the Chicago Chapter of the ANP which had turned out almost in force for

[redacted] speech. This included, [redacted]
[redacted] and [redacted] was also present, and is associated with both the ANP and the NSRP. Members of the ANP who were not present were [redacted] who had not been notified, and [redacted] the two last named were working during the hours that the talk was given.

b6
b7C

There were a total of some 65 persons present. Ages ran from individuals - in particular, young men - who appeared to be in their late teens or early twenties, to persons in their 60's and possibly older. About the largest age group represented appeared to be from the middle 30's to late 40's, although there was a large age spread represented, this did appear to be the main age group. In division by sexes, male attendance appeared to have a slight edge, one of the things that helped this was none of the members of the ANP were accompanied by women companions. A number of other men did appear to be with their wives, or in the company of women. There were no children present.

There were no incidents during the course of the evening, although one was narrowly missed. A young man, possibly middle or late twenties, was noticed sitting in front of the speakers table, apparently staring rather hard at [redacted]. The seating arrangement was set with long tables with chairs, so that persons attending could have beer with them in the hall and would be able to have someplace to put an ashtray.

b6
b7C

This young man fell under the attention of [redacted] of the ANP and one [redacted] who appears to have some affiliation with both organizations. [redacted] did not seem to care for the way he was staring at [redacted]. They asked him if he had an invitation, and he was able to produce one. This bore the signature of [redacted]. [redacted] was then asked about it, and on hearing the man's name seemed to recall the name, and advised that he had sent the man an invitation because the young man had called him and asked for one. [redacted] then questioned the man as to how long he had been associated with the NSRP or any other right wing organization. He got a little confused in his story, and was unable to satisfy his questioners. He was asked to leave the hall after [redacted] had been asked his opinion and had okayed his removal. The man in question evidently attempted to rely on his invitation keeping him in the room, and stated that he planned to remain. [redacted] has a pair of black leather gloves that he wears in the winter time, and these appear to be ordinary gloves that can be purchased anywhere, they do not appear to have had any weights or other devices added to them, and probably have not. [redacted] put one of these gloves on, and placed his fist close to the

b6
b7C

young man's face, "Do you leave now, quietly, or do we take you outside, later on." The man left, with [redacted] escorting him to the door of the hall. He kept repeating to them, "You wait 'til next time.. Wait until the next time."

b6
b7C

Earlier one plainclothes policeman, and at least two uniformed police officers were noted outside the building. [redacted] who appeared to know one of them advised [redacted] that they were there to keep peace and maintain order. He told [redacted] that they were there to keep out any "Jew troublemakers that might want to start a fight, or any Nigger lovers."

b6
b7C

The meeting began shortly after 8:00 PM with a short address by [redacted] in which he introduced [redacted] [redacted] talked for a period of about 30 to 45 minutes. His talk was well received by those present.

b6
b7C

In his talk he told of his arrest and arraignment for segregationist activities in the South. He also advised the group that some investigation had satisfied him and others that there was a good deal of railroading involved in their being arraigned. One of the things he advised investigation had brought out was that the Deputy Foreman of the jury handing down the indictment was also one of the officials of the National Conference of Christians and Jews for that area. He went on to explain to the audience. He intended to contact his attorney the following day and request him to file a motion for an immediate trial. There had been several delays in the trial, continuances being granted to the prosecution. He felt quite certain that this was being done on orders direct from Washington, D.C., and he seemed of the opinion that they came from the White House. His reason for this is that he was quite certain that certain people in high government positions would not want him or others with him to take a witness stand and give testimony at this time. Such testimony, he said, might have an adverse effect on any plans that President JOHNSON might have for his Civil Rights Bill, or for his running for the office President this year. He felt quite certain that the government's plans called for the case would be either dropped, or that through perjured testimony he and others could draw prison sentences. In the meantime the indictment was meant to act as a gag.

He also brought the death of President KENNEDY into his talk. He informed the group. Within 30 minutes of the assassination, two FBI Agents appeared at his door, and explained to him that they just wanted to see if he was in town. He also brought in the fact that a good deal of the press given the death

of President KENNEDY tended to point the guilty finger at the right wing, and in this he cited in particular an article appearing in the current weeks issue of Life Magazine. This article took an unflattering viewpoint of the right wing naming several organizations, among which was the NSRP and included a photo of [redacted] used this to bring out a point. Ever since the death of the late President, the right wing has been under constant fire and harrassment, and there are a number of persons that seem to blame the right wing for the death of the late President. [redacted] stated, "There is hardly any mention that Lee Harvey Oswald was a Communist that he was a member of the Fair Play for Cuba Committee. There has been no investigation of the Communist Party in the United States over this, no investigation of the Fair Play for Cuba Committee. The Communist Party has not come under fire. Instead they blame the right wing, in an attempt to remove all suspicion from the Communist Party, because such suspicion is unpopular and if any proof were developed it would prove embarrassing to certain members of our Government." He pictured this as a clever manuever by a Jew and communist controlled press to throw the shadow of blame on a completely innocent group, and one that would not condone such actions.

b6
b7C

During his speech he referred to the NSRP as the only right wing organization that is in operation as a political organization, and the only one that has appeared on any ballots. He mentioned that during the last presidential campaign some 250,000 votes had been cast for NSRP candidates, and that a great deal more were expected during the coming election. To this end he spoke of getting on the ballots in several various states within the next two or three months time. He also spoke of setting up an office in the City of Chicago. He advised that this should be done as soon as possible and that petitions should be passed for signatures with the idea of getting a candidate on the ballott in this state. The office he said should have one or two full time persons working in it. He also advised that a newspaper should be put together, also as fast as possible. He explained that it did not have to be anything elaborate but that something should be done of this sort on a local level so that persons in the state of Illinois could be kept informed of NSRP activities from a local level. No date was set for any of this activity to either begin or be completed.

[redacted] also said in his speech that within days of taking office President JOHNSON had invited to his office nearly every integration leader in the country, but not once had he invited one of the leaders of the right wing or a political figure following the States Rights line such as Governor ROSS BARNETT.

MAX NELSEN passed a collection can around the hall, taking up money to help pay or defray the expenses of the rental of the hall.

Chicago, Illinois
February 7, 1964

The National States Rights Party (NSRP) at Chicago held a meeting of that organization at the Europa House, 2125 West Roscoe Street on February 6, 1964. The meeting lasted from approximately 8:15 to 9:30 p.m. [redacted] who appears to hold a position of leadership in Chicago chaired the meeting and introduced [redacted]

b6
b7C

[redacted] spoke on the "same old story" pointing out specifically that we must "combat mongrelization" and we must "defeat Jewish money power control." [redacted] also stated that the "smear" had already started, indicating some article appearing in the current issue of "Life" magazine. He also said that the United States Department of Justice and the Federal Bureau of Investigation are out to destroy the right-wing.

b6
b7C

Approximately 60 persons were present at this meeting including the following:

[redacted]

Max Nelson

[redacted]

b6
b7C

A [redacted] first name is unknown, a [redacted]

As a result of the comments made at this meeting it seemed apparent that there is now no NSRP activity in existence in Chicago. This, as a matter of fact, was the reason for the meeting, to "get the ball rolling" on starting a NSRP unit in Chicago. It is the desire of that organization to secure legitimate political standing; apparently they one day hope to swing the entire right-wing to their way of thinking.

No admission or tickets were required however, Maynard Nelsen took up a collection and from observation it seemed that a lot of bills were received, however the total figure is unknown.

"The Thunderbolt" the NSRP's newspaper was on sale at the meeting. There was some soliciting of those present to join the NSRP and some effort was made to secure subscribers for "The Thunderbolt."

The Chicago Police Department had representatives present, both uniformed officers and men in plain clothes. However, no incidents of any kind developed and the entire meeting went off in a peaceful manner.

Chicago, Illinois: Friday 3, January, 1964, Right Wing Organizations, Atlantic Hotel TAP, 323 South La Salle Street, Chicago, Illinois.

An earlier meeting had been held at the Fort Dearborn Hotel, La Salle and Van Buren, Chicago, Illinois, reportedly conducted by MAX NELSEN; various members of the group going to the Atlantic Hotel Tap after the general meeting broke up. These men formed some of the leadership of several of the right wing organizations operating in the Chicago area, or represented them through membership.

NELSEN attempted to keep the meeting on an open and a friendly level, and made the remark, "Let's face it, everybody at this table is a Nazi. Right!" Everyone there seemed to be in agreement with this. There was some general sparring as to aims and means, the members present openly appeared to be in agreement with the general line of thought. When questioned about some of the interests and activities of the NSRP, NELSEN looked around the table with a smile and said, "Gentlemen the initials NSRP actually stand for, 'National Socialist Revolutionary Party', now the secret is out. That is what the initials actually stand for."

[redacted] who will spend 20 minutes to say something that nearly anyone else could and would say in 5. [redacted] appeared to be conducting this meeting, and was mentioned as [redacted] on one or two occasions and referred to himself in this title. He is one of these people who will do a lot of talking about a lot of action, but does not seem to be able to get started on any action.

b6
b7C

[redacted] appeared to have had a fill of continuous talking and repeating the same statements and ideas. He got permission to make a full statement without any interruption, and then addressed the group.

b6

"We are today in the same position that the American Indian was in 100 years ago. We are fighting for the survival of a way of life, and we are now doing it the same stupid way that the Indian did it, and he lost. When the white man was moving west he kept saying, 'All we want is for our wagons to go through here, or all we want is one more little piece of ground for farm.' Before long he was looking out over the Pacific Ocean and the American Indian was living on a reservation under starvation conditions. The various tribes tried to stand off the white man alone and they were defeated one by one. That is what is happening to the white man today. There were more than enough Indians to stop the white man at the Mississippi or the Missouri Rivers if they had all banded together. If they had done this they could have put up a skirmish line that would have run from the Canadian Border to the Gulf of Mexico. They didn't because they could not get over their individual differences and they were wiped out. Now the time has come for us to get over the various differences in the various organizations of the so-called Right Wing.

The so-called Right Wing has enough power in its ranks, and can attract enough outside support to do anything it sets out to do. As a solid operating unit working in coordination it can do anything, as individual units it can do nothing. You want to know what to do? I'll tell you what to do [redacted]. We, here, all of us, have got to get together, and agree on one important thing. As Mr. NELSEN has mentioned there is an election coming in November, of 1964, a big and an important one. Mr. DALEY our Mayor would like to be Vice President. We can working together select a man, already known in politics, preferably a man already in office. Check his record. If that record shows right wing leanings, if he was against forced open occupancy, forced integration, that is our man. We tell the various members of our

b6
b7C

Separate organizations to support this man, we all work for this man, quietly. We do this very quietly. Not as ANP or NSRP or Birchites, because then the guy will never make it. We just support him with our votes. There is enough power in the right wing to put him in office. Another thing is for all of the various member organizations of the right wing to work in support of each other. That [] is what you will have to do to stay alive and to protect this way of life that we are fighting for. Or else, in 30 years or so, we can wind up just like the American Indian, on a reservation."

b6
b7C

[] that this was already been discussed sometime before [] asked, "Then what the hell have you been talking about since then."

b6
b7C

There was further discussion and [] gave the impression that he was thinking of putting the entire right wing under one head. This met with some quiet thought from all of those present. NELSEN [] exchanged glances, [] said, [] let's get one thing straight. I am a member of the American Nazi Party and so are these two men sitting next to me, and we are Nazis today, tomorrow and ten years from now. We don't want you to have anything to do with the ANP we don't want you as a member, we want you to keep the hell away from the ANP and we don't want anything to do with the NSRP as far as joining is concerned. If we do that we will destroy the very thing that we are working for. The ANP is known throughout the country as the striking or the shock force of the right wing. We are the ones who hold the pickets, and get jailed. We are the only ones that can hold a picket that will draw any attention. The NSRP is known as a political and an information organization, and we want it left that way. That is what we are talking about. Consolidating the right wing without destroying the various member organizations identities."

b6
b7C

There was discussion in this, these ideas seemed to meet with the approval of everyone present. [] mentioned that there was to be a meeting of the Communist Party for some reason or another in Chicago on February 29, 1964, and it was agreed that this should be picketed. It was further agreed that there would be no uniforms and no Swastikas, and that the banners or signs would be anti-communist only. It was further agreed that the ANP would actually run the picket with other groups working in support.

b6
b7C

There was also some discussion about getting ROCKWELL of the ANP and [] of the NSRP together for a meeting. The idea being that some of their representatives had been able to get along and that if the ideas of their representatives were to work that the heads of the various organizations would have to be able to get along also. The members present of the ANP agreed to attempt to reach ROCKWELL, who was due in Chicago towards the end of February. NELSEN said that he would talk to [] and that he felt fairly certain that he could get [] to agree to their plans.

b6
b7C

The group moved to a nearby Pixley & Ehlers Cafeteria for coffee and then broke up. It was agreed to meet at []

[] letting him out about []
[] in the suburb. []
[] advising he had something to do first. It was then about 1:30 AM, January 4.

MAYNARD ORLANDO NELSEN

On February 28, 1964, a confidential source advised that Maynard O. Nelsen resides at 114 Morgan Lane, Hoffman Estates, Illinois.

On February 28, 1964, a second confidential source advised that Nelsen is currently employed by United Labor Services, 360 North Clark Street, Chicago, Illinois.

On October 27, 1963, the second and a third source advised the Chicago Office of the FBI that from 8:30 PM to 11:30 PM, Saturday, October 26, 1963, a meeting held in the name of Institute for Biopolitics was conducted in the Lincoln Room of the Teutonia Club, 3730 North Clark Street, Chicago, Illinois. Max Nelsen acted as chairman of the meeting and approximately 30 persons were in attendance. This meeting, according to the sources, was called by Nelsen for the purpose of discussing the plight of eight members of the National States Rights Party who were indicted in September, 1963, by a Federal Grand Jury at Birmingham, Alabama, on charges growing out of attempts to interfere with court-ordered racial desegregation in Birmingham public schools. At the conclusion of the above meeting a collection was taken up for the benefit of the indicted National States Rights Party members but no further action was decided on.

It is noted that the second confidential source referred to above advised on June 19, 1962, that during the course of a similar meeting held on June 16, 1962, called by Nelsen under the name National States Rights Party, Nelsen delivered a 45 minute introductory talk regarding the Institute of Biopolitics. He described the organization as one established to help prevent racial suicide by the white race and to help the white race to continue to exist without being "swallowed up" by the black masses. Nelsen stated at the time that the purpose in calling the meeting on June 16, 1962, was to explain the above and to acquaint the people with the situation today. Source stated Nelsen identified himself as the Illinois Representative of the National States Rights Party.

MAYNARD ORLANDO NELSEN

On October 28, 1963, the third confidential source identified above advised that the Institute for Biopolitics is, from all appearances, a "one man organization" formed by Max Nelsen to provide him with a "platform" from which he can publicly express his personal views.

In connection with above described meeting held on October 26, 1963, a fourth confidential source advised that during the course of Max Nelsen's appearance at this meeting, Nelsen charged in his talk on several occasions that "talk about anything you want. Talk about fluoridation, and I will come back to the Jew. Talk about taxes, and I will come back to the Jew. Talk about integration and I will come back to the Jew."

Nelsen said during a brief question and answer period that members of the National States Rights Party and associated organizations should infiltrate both the Democratic and Republican Parties during the next election campaign and constantly talk of Jews in either party and their control of of the country and of politics. He does not want, source said according to Nelsen's line of talk, any particular candidate voted into office. Nelsen said "I want the white man to hit rock bottom. You can't talk to him now. Make him go all the way down the hill. When he wakes up some morning and finds nothing but Niggers on one side and nothing but Jews on the other side and he has his back to the wall, then and only then will he fight".

Source added that at the beginning of Nelsen's talk he mentioned that he knew George Lincoln Rockwell and that they had exchanged ideas. Nelsen stated he regarded Rockwell very highly. He also advised that Rockwell had done alot of good for the white man in his fight and that the propaganda and activities Rockwell and his party engaged in, have done a tremendous amount of good for the white man.

The fourth confidential source advised on January 3, 1964, that at approximately that time Nelsen was in contact with representatives of the American Nazi Party at Chicago, Illinois. Regarding the possible consolidation of right wing activities in the Chicago area. Nelsen was known to be in agreement with the American Nazi Party's proposed plan to attempt the consolidation of the right wing on projects looking to a concentrated effort, especially in coming elections.

MAYNARD ORLANDO NELSEN

The United States Department of Justice, Washington, D.C., has received the following letter dated January 6, 1964, signed by one "Max Nelsen". This letter bears the heading "Institute for Biopolitics" and the return address "P.O. Box 1785, Chicago 90, Illinois, U.S.A."

MAYNARD ORLANDO NELSEN

On April 14, 1961, a fifth confidential source advised that Maynard Orlando Nelsen holds Post Office Box 1785, Chicago 90, Illinois, under the name Real Political Institute.

The third confidential source, previously mentioned, advised on February 7, 1964, that Max Nelsen was in attendance at a meeting on February 6, 1964, held under the name of the National States Rights Party in Chicago, Illinois.

On April 4, 1955, a sixth confidential source advised Real Political Institute was started by Maynard Orlando Nelsen in approximately November, 1954, in Chicago, Illinois. Nelsen's purpose was to create a new political party under the name Real Political Institute. This organization is anti-Communist, anti-Semitic, and favors the white race.

Confidential sources familiar with the activities of the American Nazi Party, the National States Rights Party, and Racial Matters in the Chicago, Illinois area were contacted during March, 1964, regarding Maynard Orlando Nelsen. These informants advised that they could furnish no current information regarding the activities of Nelsen.

APPENDIX

AMERICAN NAZI PARTY OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO
KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leaders," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP-WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that GEORGE LINCOLN ROCKWELL has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, [redacted] the admitted [redacted] advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP although until December, 1962, it received all of its literature from GEORGE LINCOLN ROCKWELL's ANP.

APPENDIX

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses;" second, "the dissemination of our program and the truth about the Party;" third, "organizing the people who have been converted to our propaganda;" and fourth, "that attainment of power through the votes of the newly-won masses."

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] of the NSRP, is the individual who "runs the NSRP."

As noted in referenced communication of December 27,

the National States Rights Party (NSRP) was then in existence
in Chicago as an organization. Sources did advise, however,
that MAYNARD ORLANDO NELSEN, also known as MAX NELSEN, had,
in the past, been known as the Illinois representative of
the NSRP.

By communication dated February 7, 1964, the
Chicago Division reported results of a meeting conducted on

of the NSRP in Chicago. These sources advised that to their knowledge the NSRP does not function as an organization in the Chicago, Illinois, area and if, in fact, it does exist, its make up is most informal and its activities are unscheduled and most irregular.

The Chicago Division is presently conducting investigation concerning the NSRP to establish the existence of that organization in Chicago, and if such does in fact exist, to fully identify the officers thereof and develop full background information concerning them.

It is also noted for the information of the Birmingham Office that the Bureau has directed the Chicago Division to maintain a continuing interest in the affairs of MAYNARD ORLANDO NELSEN and to keep the Bureau fully apprised of all pertinent developments as the result of this inquiry.

The Birmingham Division is therefore requested, following contact with logical sources, in the NSRP, to advise this office if, in fact, MAYNARD ORLANDO NELSEN is a known affiliate of the NSRP and if so in what capacity; advise as to the nature and extent of the NSRP as an organization in the Chicago, Illinois, area as known to Birmingham sources; and advise as to the full identity of all Chicago officers known to Birmingham sources.
